FYI. Cathy wants us to hold off sending or posting the report until we get further guidance from David Ross and/or Anna Wildeman.

I am sending this to Anna Wildeman for her and David Ross to review. If this has not been sent widely yet, please hold off until we get further guidance from them. Thanks so much Linda!

Cathy, Kurt and Jim – Attached is the last Juneau County report prepared by Water Division regarding the sampling event we did last Spring. Previously, as we completed documents, we have shared them with the State and CSD attorney before we post them on the R5 web page. We were intending on sending the attached report to WDNR (Zellmer) and CSD (Crass) this week and giving them a day or two before we have Jeff's folks post it on our web page along with the other reports.

If you want to discuss, please let me know.

Linda
